

Declaration Regarding Non-Employee Services and Goods Costs

For 2004 aggravated murder cases claimed, this declaration must be completed if jail health services or goods were incurred (other than jail staff salaries and benefits). Place the completed form at Tab 10.

1. This declaration is submitted by the undersigned in support of _____ County's claim for reimbursement under the Extraordinary Criminal Justice Costs Act:
2. The total amount paid for contracted or court ordered health services and for goods during 2004 was:
\$ _____ .
3. These amounts have been accurately included in totals on the data table (include with other jail costs).
4. Documentation to substantiate the claim(s) is available at the county office if auditors require appropriate access.

I declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct and that documentation is available at the county office, if requested by auditors, to substantiate the claim.
